Dear Sir:

The applicant mailed the patent application "Programmable Interconnect Structures" along with the application fee of US\$ 766.00, IDS form 1449, and copies of all references on Oct 20, 2003 by USPS. The Salomon Smith Barney check #1016 was cleared from my bank account by the Patent Office on 10-30-2004, confirming receipt of the package.

The USPS stamped date for postage is 10/20/2004. The application claimed priority from Provisional Application Serial No. 60/419,759 entitled "Re-programmable interconnect structures" filed by the applicant on 10/21/2002. The applicant requests the USPS stamp date 10/20/2003 to be used as the Filing Date for the application to ensure that it has been filed within the 1 year time limit from the Provisional Patent Application filing date.

The applicant has not received a filing receipt from your office, and would greatly appreciate if you can respond to the state of this application. You can reach me by phone at (408) 737-8868, or by cell phone at (408) 431-5367, or by email at RamindaMadurawe@AOL.Com.
Thank you very much for your consideration of this matter.

Respectfully submitted,

Raminda Madurawe
